# Executive Summary

RCCG Region 63 Junior Church, newly inaugurated and named as Faith Tribe, presents this comprehensive proposal for the 2025/2026 year. As a new group, Faith Tribe marks a significant milestone in fostering spiritual growth and community among the region's teens and children, with an average attendance of 3,500 children and 2,500 teenagers, totaling 6,000 young members, supported by approximately 500 dedicated teachers. This proposal outlines a strategic roadmap to nurture spiritual growth and community, aligning with RCCG's mission to raise a generation rooted in faith and excellence, marking a pivotal moment for the region's children and teens ministry.

However, as a new body, Faith Tribe faces several challenges that require urgent attention to ensure sustainable growth. These include the absence of a dedicated office at the Regional Headquarters (RHQ) for counseling and administrative activities, the lack of Junior Church programs in some parishes, inadequate accommodation and welfare during conventions and camp-outs, a shortage of trained teachers, and an ineffective transition process for teenagers into young adult and adult church. Addressing these issues is central to our vision of creating a supportive and empowering environment for the children and teenagers.

Preliminary budgets for departments such as Sports, Choir, Camp-Out, Quiz/ICT, and Welfare are included in this proposal. We seek the Regional Pastor's guidance and support to secure resources, laying a solid foundation for Faith Tribe to become a transformative ministry, which creates meaningful experiences that enrich the lives of our children within Region 63.

# Faith Tribe Introduction

Within RCCG Region 63, the Junior Church operates under the identity Faith Tribe—a dynamic and unified ministry brand encompassing Faith Tribe Kids (Children’s Ministry), Faith Tribe Teens (Teenagers’ Ministry), and Faith Tribe Teachers (Teaching Team). This family-oriented structure fosters a deep sense of belonging, shared purpose, and a collective drive to raise godly, empowered leaders for the next generation. This ministry represents a fresh chapter for Region 63, aiming to establish a strong presence and inspire spiritual growth across all parishes.

The Faith Tribe name is inspired by a vision of a connected “tribe” united by faith, reflecting the diverse yet harmonious family of children, teens, and educators within the region. Symbolized by our logo—a growing tree subtly forming a flame shape within its branches—the design embodies the Holy Spirit’s guidance, growth, and spiritual enlightenment. The smaller, abstract human figures integrated as leaves or roots represent the unity and community of children, teenagers, and teachers, each valued and growing together. The light at the core signifies a Christ-centered purpose, while the tree itself symbolizes a lifelong faith journey, making the logo a powerful visual representation of our mission and values.

This introduction marks the beginning of Faith Tribe’s journey to build a transformative ministry, leveraging its unique identity and symbolism to connect with and empower every child and teenager in Region 63.

# Vision & Mission

Empowering the next generation through faith

## Our Vision

To cultivate a vibrant, welcoming community where children and teenagers grow in faith, develop strong relationships, and become empowered to live out the teachings of Christ in their everyday lives. We envision a space where every young person feels valued, inspired to explore their faith, and equipped to serve others, fostering a lifelong journey of love, compassion, and discipleship.

## Our Mission

To nurture and disciple children and teenagers through Christ-centered teaching, purposeful mentorship, and meaningful fellowship. We aim to equip them with spiritual strength, moral integrity, and leadership skills to live out their faith boldly and impact their communities for Christ.

# Strategic Priorities

To ensure the sustainable growth and impact of Faith Tribe within Region 63, the following strategic priorities have been identified and prioritized for implementation

## Capacity Building and Expansion

Growing team and regional reach.

## Infrastructure and Welfare Enhancement

Strengthening facilities and support systems.

## Innovative Programming and Engagement

Inspiring teenagers through creative events.

**A dedicated office** will be required at the Regional Headquarters (RHQ) to provide essential counseling, consultation, and administrative support for the ministry. Additionally, we want to ensure **good accommodation and welfare experiences during conventions and camps**, ensuring the children, teenagers and teachers enjoy a supportive, comfortable environment that addresses past shortcomings and fosters spiritual growth.

To empower our ministry, Faith Tribe will leverage her relationship with DTCE to enhance **teacher training**, strengthening our educators and adding new talent to meet growing demands. With support from the Regional daddy and mummy, we will **expand our presence to parishes without Junior Church programs**, ensuring every child and teenager in Region 63 is reached, while developing a seamless transition process for teenagers into youth and adult churches, securing their spiritual continuity and broadening our impact.

In the future, Faith Tribe plans to **launch a standalone Mega Teens & Tweenies Church** and host a **Lagos Teens and Children Holy Ghost Night**. These innovative events will cultivate leadership, deepen faith, and build a vibrant community, positioning Faith Tribe as a beacon of inspiration and engagement for the next generation.

# Activities Calendar

The RCCG Region 63 Junior Church calendar features key events designed to engage the children, teenagers, and teachers, foster community connection, and inspire spiritual growth throughout the remainder of the 2025 program year. The schedule, designed primarily by the Directorate of Teens and Children Education (DTCE), highlights significant dates, providing every member with ample time to prepare and participate in the vibrant life of the Junior Church.
